

Are you a full-time College Student?

Do you wonder if you might be on the Autism Spectrum?

The UCR SEARCH Center is conducting a pilot study to determine best practices in screening college students, ages 18-29, for autism.

There will be an initial in-person visit with one or two follow-up visits that may be done in person, by phone, or via Zoom

Compensation

For your participation, you will receive a \$10 gift card.
